Tel no: 0049-69-798-47505

I/we wish to nominate the following project for consideration for the Tony Sale Award for Computer Conservation:

The technikum29 Computer history museum

and enclose/attach a full description.

I/we believe it conforms to the criteria listed in the regulations, because:

... because it is an one-of-a-kind institution standing in  
contrast to the prototype of an computer museum.

Please see the appended 15-page description for details.

I/we shall be available to members of the Judging Panel, who may wish to investigate further.

I/we agree that any personal data and other information I/we include in this Nomination may be used by members of the Judging Panel and the Computer Conservation Society in relation to judging the award, and in any publicity in relation to the award if I/we win.

Signed: Sven Köppel
